Magical Bumblebee

schleich BAYALA Magical Bumblebee:

What's not to love about the Chubby Bumblebee?! Her round body, big head, and large, soulful eyes are just too sweet. She also has translucent wings that sparkle in the sun and a beautiful pattern on her forehead. Charming!

The Chubby Bumblebee hums happily over the colorful meadows of BAYALA®. Her glittering wings catch the sunlight as she leisurely searches for the most beautiful flowers. Which one has the tastiest nectar? Our round little friend prefers slightly larger flowers as they don't wobble as much when she lands on them! There are a few promising ones over there. Off she goes!
