Brand : LogiLink

Product code: SCS0112

Product name : USB-C multi-charger (IPSS), 15-Port, PD, smart, black

USB-C multi-charger (IPSS), 15-Port, PD, smart, black

LogiLink USB-C multi-charger (IPSS), 15-Port, PD, smart, black:

The 15-port smart USB-C multi-charger (Intelligent Power Supply System - IPSS) from LogiLink is the central unit that allows you to simultaneously charge up to 15 devices via Power Delivery and manage the content of multiple smart devices (such as Apple Macbook, Chromebook, notebooks, tablets or smartphones) via a company or corporate network. Previously, each of these smart devices had to be plugged into the socket individually, which was tedious and time-consuming. The intelligent USB-C multiple charger therefore offers a space-saving and safe method of charging the batteries of mobile devices with a USB-C connection.
